Hudzaifah Ibnu Puase

Student

Profile

Hello, my name is Hudzaifah Ibnu Puase!
I'm an Odoo Functional Certified and currently a first-year student at Universitas Pembangunan Nasional Veteran Jakarta (UPNVJ), majoring in Information Systems (Associate Degree Program) under the Faculty of Computer Science. I also serve as the President of the Computer Science Class of 2025, where I develop leadership, coordination, and team management skills.

I'm an easygoing, communicative, adaptive, passionate, and reliable individual. My interests include UI/UX design, web design, web development, mobile app development using Flutter, and Enterprise Resource Planning systems.
